

WINTERWORKS®

Make Your Own Hanging Decorations

Please read these instructions thoroughly before starting this project. Retain instructions and packaging for future reference. Be sure to clean and protect your working area before starting the project.

Contents:

8x Card Shapes · 8x Tissue Paper Sheets
1x Sticker Sheet · 1x Ribbon

You may need (not included):

Scissors, glue, sequins, glitter, foam shapes, etc to decorate.

Instructions:

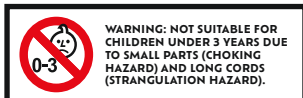

1. Choose a card shape to decorate. Select the tissue paper to use and tear into small pieces. Stick onto the surface of the card shape using glue (not included) to decorate.
2. You may also decorate the shapes with some stickers with the sticker sheet provided. Or use other craft items that you may already have at home.
3. Add eye stickers from the sticker sheet to the decorations.
4. After decoration, allow to dry and ask an adult to cut a length of ribbon. Pass the ribbon through the hole in the card and tie a knot to hang the decoration.
